Album Track Number	The track off of the album the single appears on
Title	Title as shown on actual label (Billboard chart is default until single is actually verified)
	NOTE: All songs listed in Spreadsheet are considered the [Clean] Versions played on th **[Dirty/Explicit] Versions to be posted with the Prefix unless noted in filename!) Keep in** **DD [Digital Downloads] there are some that don't have a clean version - note it anyway i**
Single Time	In order of precedence, ultimate goal is to list "Actual Playtimes" for all titles
	1. Actual Playtimes (The Exact duration of the correct single that has been collected)
	2. Time listed on Label (Best source other than timing the song yourself) However, Labels hav many times.
	3. Times as listed in Pop Annual/Hits (Frequently Wrong, but a beginning source)

song)

Time Source	Source of time listed in 'Time' column. Blank means time was taken from source other then ori (usually Whitburn's Yearbook) SEE ABOVE. Goal is to match 'Media Type' column (#38 below
Explicit	available.
Symbol	[F]oreign, [R]e-issue, [I]nstrumental, [N]ovelty, [X]mas, [C]omedy, [T]alking and/or [S]peaking
ReIssue	(## ###) <-- When did this single hit the charts elsewhere in spreadsheet. Must be an exact d for cross referencing.
Label/Number	The label as listed on Billboard chart. Other labels may be listed in "Comments"
